

## What is the TU Delft Impact Contest?

The TU Delft Impact Contest offers students a platform to develop innovative, entrepreneurial ideas or prototypes related to societal issues. With the help of a broad range of experts in the field, you will co-create and transform your idea into a viable business plan, a prototype or start-up!

Throughout the competition, you develop entrepreneurial skills during workshops and brainstorm sessions with like-minded students. On top of that, you will be able to meet coaches from both educational and corporate environments in several online and offline networking events. In short, the TU Delft Impact Contest is the perfect opportunity to start your entrepreneurial journey and expand your network!

“The TU Delft Impact Contest was a fun learning opportunity where you get the support to think critically and act entrepreneurially.”
